DETAILED ACTION

Allowable Subject Matter

1. Claims 1-8 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose registering means for, when a minimum unit task or tasks for achieving the operation or processing to be executed in the respective process points from among all minimum unit tasks prepared in advance and stored in a disk of the management computer, is selected and inputted in a sequence of execution for the respective process points by the developer, registering the minimum unit task or tasks in the storage device. The allowability, at least in part, resides in this fact.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
